

## Condition Surveys

As part of ODST taking on new Academy schools, Grayling Thomas were employed for Condition Surveys on 16 of the Trust's school sites across a period of 2 years. These included Primary and Secondary education sites.

Grayling Thomas agreed the scope of the service with ODST's Premises Team and the format was agreed across the entire portfolio. ODST now utilise the Condition Surveys, which include a 10 year maintenance plan, as part of their school's priority funding allocation.
